Selection to this year's *Top 20 IT Training Companies* was based on the following criteria:

- Leadership and innovation in IT training
- Breadth of IT training and delivery methods offered
- Company size and growth potential
- Strength of clients
- Geographic reach

“TrainingIndustry.com’s review committee selected an impressive group of IT training companies who are capable of handling both individual and corporate training needs. Whether it’s through partnerships, industry consolidation or innovation, this market continues to evolve at a rapid pace,” Doug Harward, Chief Executive Officer, TrainingIndustry.com.

“Our Top 20 IT Training companies stand out as the best providers in a very competitive segment of the training industry. Companies demonstrated that they could cover a broad range of topic areas in the modality of choice for their clients,” said Ken Taylor, Chief Operating Officer, TrainingIndustry.com.
