Our Wayne, PA training center is conveniently located near the intersection of many thoroughfares, including the Pennsylvania Turnpike, the Schuylkill Expressway (I-76), and Route 202; we are just minutes from the King of Prussia Mall.

Within our training facility students have access to a refrigerator, microwave, and coffee and tea service. Free parking surrounds the building and there are several dining establishments, hotels, and stores nearby.

Note: Our address is on Old Eagle School Road; however, the entrance to our complex is on Devon Park Drive. As a result, mapping systems and GPS devices may not accurately show our exact location. If you enter the Woods Complex and see only buildings with ODD numbers (993, 995, etc.), then you are on the wrong side of the street. Exit the complex and get on Devon Park Drive; the entrance to the EVEN numbered Woods buildings will be the first LEFT on Devon Park Drive (do not mistake it with the Meadows Complex entrance on the right). We are located in building 992 (first building on the left upon entering the office park). Please enter through main doors marked "A" or "I" (depending on which side the building you are on) and proceed to suite 920 (across the hall from the vending machines).
