ExecuTrain launches "Elevate Your Career" program to support displaced workers amidst COVID-19 pandemic

LEXINGTON, KY (November 23, 2020) --- Locally owned and community involved, **ExecuTrain** fully supports and deeply cares for all people going through hardships during this difficult time in our world. We are proud to be partnering with career development centers that could provide potential funding for individualized career services.

Given today's turbulent economic climate, elevating your career coupled with career stability should be prioritized.

ExecuTrain's "**World of Information Technology**" **FREE Live Interactive Webinar** permits individuals to have the opportunity to make a change. A career change that will positively impact their lives, their loved one's lives, while having more control over their financial destiny.

Globally accepted and recognized Information Technology (IT) certifications provide career roadmaps with salaries that we all dream of. Come dive into the world of Information Technology.
