ExecuTrain US Becomes CompTIA Authorized Training Partner

LEXINGTON, KY (February 17, 2021) --- ExecuTrain US is proud to announce our newest partnership with CompTIA (The Computing Technology Industry Association). As ExecuTrain has been named a strategic business partner and ally, our collaboration model permits us to receive extensive CompTIA incentives, tools, resources, and benefits. We are very excited to bring new opportunities for today's workforce to gain a competitive edge in the technology industry.

CompTIA is a leading voice and advocate for the $5 trillion global information technology ecosystem and the more than 50 million industry professionals who design, implement, manage, and safeguard the technology that powers the world's economy. Through education, training, certifications, advocacy, philanthropy, and market research, CompTIA is the hub for advancing the tech industry and its workforce.

By becoming an Authorized CompTIA Partner, ExecuTrain will now provide all CompTIA certification offerings as one of their few trusted training institutes. Businesses and individuals seeking professional, helpful, and caring instruction through the certification process should look to ExecuTrain for all of their needs.

ExecuTrain's mission is to move people and companies forward. We pride ourselves on our creative problem solving and innovative solutions, which have been especially prevalent throughout the pandemic. The need for technology has never been greater and becoming an Authorized Partner for CompTIA is the latest in a string of initiatives to provide the highest quality training to current and prospective IT professionals all around the US.

When asked about the partnership, ExecuTrain's CEO Crinda Francke said "We are excited to work with CompTIA to help train and certify individuals for the booming IT industry. These vendor-neutral certifications allow a person to enter the IT field, go anywhere, work anywhere and open the door to better pay."

"There are many pathways to a career in technology, but the journey is made easier when job seekers are guided and mentored along the way," said John McGlinchey, Executive Vice President, Global Certifications, at CompTIA. "Partners such as ExecuTrain United States provide that guidance and mentoring by delivering highly relevant education in a quality training environment and championing the value of professional certifications."

To fast-track your IT career, ExecuTrain has created prep courses and eLearning bundles to prepare students to pass the exams for three of the most popular CompTIA Certifications: A+, Network+, and Security+. ExecuTrain Instructors truly go above and beyond to help you during your courses and want to

see you succeed in your career. The ExecuTrain team is excited and ready to assist you in reaching your career goals with IT Certifications!
